# SE MN Honor Flight Gala

**Helping Veterans  
Live a Dream**

Honor Flight is a nonprofit organization created solely to honor Veterans. These heroes are flown for a one-day trip to Washington, DC (at no cost to them) to visit the WWII memorial which was created in 2004. Due to the fact that many of our Veterans are aging and/or are terminally ill, there is an urgency to provide our Veterans with this life changing experience.
